## MEMORANDO CIRCULAR 2007-07

24 de julio de 2007

### A TODOS LOS ALCALDES Y DIRECTORES DE PROGRAMAS FEDERALES DE LOS MUNICIPIOS "NON-ENTITLEMENT"

Lcdo. Angel M. Castillo Rodríguez  
Comisionado

### ESCALAS SALARIALES REVISADAS ESTABLECIDAS POR EL DEPARTAMENTO DE TRABAJO FEDERAL

El Departamento de la Vivienda Federal (HUD) requiere la aplicación de la escala salarial vigente para todo proyecto contratado con fondos federales, a tono con el aumento escalonado al salario mínimo establecido por el Gobierno Federal.

A esos efectos, incluimos la primera modificación a las escalas salariales aplicables a los proyectos de construcción con fondos del Programa CDBG, incluyendo "Disaster Recovery", que entran en vigor el **24 de julio de 2007**.

- PR-07-0001 - "Building Construction"
- PR-07-0002 - "Heavy and Highway Construction"
- PR-07-0003 - "Residential Construction"

También, puede acceder a la página del Departamento del Trabajo Federal (<http://wdol.gov>) para copias adicionales de las escalas salariales.

*« Toda la correspondencia oficial deberá dirigirse al Comisionado »*

Es importante mencionar que **estas escalas aplican a todos los proyectos contratados con fondos federales**, y las mismas sustituyen las escalas anteriores.

Es de vital importancia que circule esta información a todo el personal municipal que trabaje con la adjudicación de proyectos de construcción, especialmente a la persona designada en Programas Federales para atender los asuntos de Normas Laborales, ya que antes de celebrar la pre-subasta deberá obtener lo siguiente:

- Copia de la carta de liberación ambiental de los fondos del proyecto que emite OCAM
- Solicitar a OCAM en la Forma 308 (Request for Wage determination and Response to Request), Certificación Escala Salarial Aplicable Certificación de elegibilidad del contratista (s) y sub-contratista (s). Esta información se puede obtener al acceder la página de Internet: "Excluded Parties List System" (EPLS) <http://epls.arnet.gov>

Para el procedimiento completo a seguir, favor referirse al Manual de Normas Laborales suministrado en el Seminario "*Cambios en la Reglamentación Federal*", en octubre 2006.

Además, recordamos a los Directores de Programas Federales que para **en o antes del 26 de septiembre de 2007**, deberán someter los siguientes informes:

- Informe Semi-Anual de Normas Laborales (Contratos Adjudicados)
- "Contract and Subcontract Activity - HUD 2516 (participación pequeñas empresas)

Para mayor información o aclarar cualquier duda, le exhortamos a comunicarse con la Oficina de Programas Federales, al teléfono (787) 754-1600, extensión 302.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses

(29CFR 5.5 (a) (1) (ii)).

-----

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

-----

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
