Dear Mr. Cantina and Ms. Rivera:

Thank you for the time and assistance you provided during the OJJDP site visit from February 3, 2015 to February 5, 2015. The visit provided valuable information on the status of your grant programs.

No programmatic or administrative problems requiring formal resolution were identified during the site visit. The Title II, JABG and EUDL programs appear to be progressing according to the plan presented in the approved applications, and are in compliance with OJJDP guidelines.

It appears that the Puerto Rico Office of Municipal Affairs is making great progress in addressing the needs of disadvantaged youth and children. I hope my visit also provided helpful information and assistance in your efforts to prevent delinquency and improve the juvenile justice system.

Once again, would like to thank you and your team for your warm hospitality. The staff was remarkably well prepared for this site visit. All files were accessible, documents had been copied, staff was constantly available to respond to questions and work space was provided

for me and my colleague Ms. Chiancone while we were in the office. It is a pleasure to work with Puerto Rico on juvenile justice issues, and I look forward to our continued partnership.

If you have any further questions concerning the site visit, your program, or available technical assistance, please do not hesitate to contact me at (202) 616-1611 and/or Gwendolyn.Williams@ojp.usdoj.gov.

Thank you again for your cooperation during my recent visit.

Sincerely,

Gwendolyn Williams, State Program Manager
