**INDEPENDENT AUDITORS' REPORT**

**To the Honorable Mayor and  
Member of the Municipal Legislature  
Municipality of Sabana Grande, Puerto Rico**

We have audited the accompanying general-purpose financial statements of the **Municipality of Sabana Grande, Puerto Rico (Municipality)**, as of and for the Fiscal Year Ended June 30, 2002, as listed in the Table of Contents. These general-purpose financial statements are the responsibility of the **Municipality's** management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

Except as discussed in the following paragraphs, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

The **Municipality**, has not maintained a complete and accurate inventory of property, plant and equipment purchased in prior years to June 30, 2002. We were, therefore, unable to apply generally accepted auditing procedures to an examination of the costs of assets included in the General Fixed Assets Account Group.

As explained in Note 12, the **Municipality** is in process to perform a study of the estimated landfill closing and postclosing costs to be recognized in the general-purpose combined financial statements, as required by the GASB No. 18, "Accounting for Municipal Solid Waste Landfill Closure and Postclosure Care Costs". Accordingly, no provision for liability has been made in the financial statements.

In our opinion, except for the effect of such adjustment, if any, as might have determined to be necessary had we been able to audit the fixed assets of the general fixed assets account group and for no provision for liability of landfill closing and postclosing costs, as explained in above paragraphs, the general-purpose combined financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the **Municipality**, as of June 30, 2002, and the results of operations and changes in the fund balances for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 5, 2002 on our consideration of the **Municipality's** internal control structure over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**INDEPENDENT AUDITORS' REPORT**

Page 2

The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the general-purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the general-purpose financial statements taken as a whole.

# MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

## NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Municipality of Sabana Grande, Puerto Rico (Municipality) was founded in the year 1813, and operates as a governmental unit of the Commonwealth of Puerto Rico, under the Law Number 81 of August 30, 1991, known as "Autonomy Municipalities Law of the Commonwealth of Puerto Rico". The governmental system of the Municipality is composed of the executive and legislative bodies. The Mayor is the Chief Executive Officer and is elected every four years in the general elections of the Commonwealth of Puerto Rico. The legislative body consists of 14 legislators also elected in the general elections of Puerto Rico for a four-year period.

The Municipality provides services such as: health, public works, sanitation, aids and services to low-income and elderly citizens, public safety, housing and urban development, culture and recreation, planning, zoning and other general and administrative services.

The accounting policies of the Municipality conform to accounting principles general accepted in the United States of America as applicable to governmental units. The following is a summary of the more significant of such policies.

#### A. Financial Reporting Entity

The general-purpose combined financial statements of the Municipality have been prepared in accordance with accounting principles general accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is a standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards, which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units. The more significant of these accounting policies are described below and, where appropriate, subsequent pronouncements will be referenced.

The general-purpose financial statements present the financial position of the various fund types and accounts groups and the results of operations of the various fund types of the Municipality. This includes the organizations units governed by the Executive Officers and members of the Municipal Legislature of the Municipality. In evaluating the Municipality as a reporting entity, management has addressed all the potential component units. The decision to include a potential component unit in the reporting entity was made by applying the provisions of GASB Number 14.

The basic, but not the only criterion for including a potential component unit within the reporting entity is if elected officials of a primary government are financially accountable for the entity. Financial accountability exists if the primary government appoints a voting majority of the entity's governing body, fiscal dependency of the potential component units and if either one of the following conditions exist: the primary government can impose its will on the other entity or the potential exists for the other entity to

(1) provide specific financial benefits to or (2) impose specific financial burdens on the primary government. A second criterion used in evaluating potential component units is if the nature and significance of the relationship between the entity and a primary government are such that to exclude the entity from the financial reporting entity would render the financial statements misleading or incomplete.

The relative importance of each criteria must be evaluated in light of specific circumstances in order to determine which components units are to be included as part of the reporting entity. Our specific evaluations of the criteria applicable to the Municipality indicates that the reporting entity consists of all funds and accounts groups included in the combined balance sheet, therefore, no organizations, activities or functions are required to be included in the reporting entity.

#### B. Basis of Presentation

The accounts of the Municipality are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set off self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. The various funds and account groups are summarized by type in the accompanying general-purpose financial statements. The Municipality records its transactions in the fund types and account groups described below. Transactions between funds within a fund type, if any, have been eliminated.

Amounts in the "Totals Memorandum Only" column in the combined financial statements represent a summation of the combined financial statements' line items of the fund types and account groups, and are presented for the analytical purposes only. The summation include fund types and account groups that use different basis of accounting includes interfund transactions that have not been eliminated and the caption "amounts to be provided", which is not an asset in the usual sense. Consequently, amounts shown in the "Totals Memorandum Only" column are not comparable to a consolidation and do not represent the total resources available or total revenues and expenditures of the Municipality.

#### GOVERNMENTAL FUNDS

Governmental funds are those through which most governmental functions of the Municipality are financed. The acquisition, use, and balances of the Municipality's expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following are the Municipality's governmental fund types:

General Fund – This is the general operating fund of the Municipality. It is used to account for all financial resources, except those required to be accounted for in another fund.

continue

# MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

## NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continuation)

#### B. Basis of Presentation (continuation)

Special Revenue Fund – This is used to account for the proceeds of specific revenue sources (other than major capital projects) that are legally restricted to expenditures for specific purposes.

Debt Service Fund – This is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interests.

Capital Projects Fund – This is used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by Special Revenue Fund). Completed assets of a stewardship nature are transferred to the General Fixed Assets Account Group.

#### ACCOUNT GROUPS

Account groups are not funds; they do not reflect available financial resources and related liabilities, but they are accounting records for the general long-term obligations. Account groups are used to establish accounting control and accountability for the Municipality's general fixed assets and the unmatured principal of its general long-term debts and other long-term obligations. The following is a description of the Account Group of the Municipality:

General Fixed Assets Account Group – This account group is used to account for all general fixed assets of the Municipality. General Fixed Assets are recorded as expenditures of the various funds at the time of purchase and are subsequently capitalized for memorandum purposes in the General Fixed Assets Account Group.

General Long-Term Debt Account Group – This account group is used to account for all long-term debt including bonds, notes and other long-term liabilities of the governmental fund type of the Municipality.

#### C. Basis of Accounting

Basis of accounting refers to the point at which revenues and expenditures are recognized in the accounts and reported in the general-purpose financial statements. It relates to the timing of the measurements made, regardless of the measurement focus applied. The governmental fund types follow the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. "Available" means collectible within the current period or soon enough thereafter, normally within sixty days, to be used to pay liabilities of the current period. Revenues collected in advance of the fiscal year to which they apply are recorded as deferred revenues and recognized as revenues in the years to which they apply.

In applying the "susceptible to accrual" concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially three types of these revenues. For one type, moneys must be expended on the specific purpose or project before any amounts will be paid to the Municipality; therefore, revenues are recognized based upon the expenditures recorded. For the second type, moneys are received in advance and recorded as deferred revenues until the appropriate expenditures are made, at which time the revenues are recorded.

For the third type, revenues are virtually unrestricted as to purpose of expenditure and nearly irrevocable or revocable only for failure to comply with the prescribed requirements, such as equal employment opportunity provisions. These resources are reflected as revenues at the time of receipt or earlier if they meet the "available" criteria.

Property taxes are recognized as revenues when collected by the Municipal Revenue Collection Center of the Commonwealth of Puerto Rico, even though a portion of the taxes may be collected in subsequent years. Licenses and permits, fines and forfeits, and miscellaneous revenues are recorded as revenues when collected, because they are generally not measurable until actually received.

Expenditures and related liabilities are generally recorded in the accounting period in which the liability is incurred. Exceptions to this general rule include: (1) vacation, sick leave, disallowance, and litigation are recorded in the General Long-Term Debt Account Group; (2) expenditures and related liabilities for principal and interest on long-term obligations, which are recorded when due; (3) landfill obligation is included in the General Long-Term Debt Account Group since it will not be funded with available expendable financial resources.

#### D. Budgetary Accounting

The Municipality's Annual Budget is prepared on the budgetary basis of accounting, represents departmental appropriations recommended by the Mayor, and approved by the Municipal Legislature prior to the beginning of the fiscal year. Budgetary control is maintained at the department level for each individual appropriation. Amendments to the budget, including transfers, require the approval of the Municipal Legislature. Unencumbered appropriations lapse at the end of the next fiscal year.

The Municipality follows these procedures, in accordance with law, in order to establish the budgetary data reflected in the general-purpose financial statements:

1. Prior to May 15 of each fiscal year, the Mayor submits to the Municipal Legislature a proposed budget for the fiscal year commencing the following July 1 in addition to a budget message.

continue

# MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

## NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continuation)

#### D. Budgetary Accounting (continuation)

2. The budget document is available for public inspection prior to its approval by the Municipal Legislature.
3. The Commissioner of Municipal Affairs examines the budget to verify if it complied with the law's standards and sends it to the Mayor for any comments or recommendation before the limited date establishes by the Law.
4. Prior to June 13, the annual budget is legally enacted through passage of the annual appropriation ordinance.
5. Subsequent to the enactment of the annual appropriation ordinance, the Municipal Legislature has the authority to make necessary amendments made during the fiscal year and are reflected in the budget information included in the general-purpose financial statements.
6. Budgetary data for the Special Revenue Fund has not been presented in the accompanying combined financial statements as such funds are budgeted over the life of the respective grant or project and not on an annual basis.

Since the budgetary basis differs from accounting principles generally accepted in the United States of America (GAAP), actual amounts for the General Fund in the accompanying Combined Financial Statement of Revenues, Expenditures and Encumbrances and Changes in Fund Balance – Budget and Actual, is presented on the budgetary basis to enhance comparability.

The principal differences between the budgetary and GAAP bases are the following:

1. Encumbrances are recorded as expenditures under the budgetary basis and as a reserve of fund balances under GAAP.
2. The non-exonerated portion of the property tax advances are presented as revenue in the budgetary basis and as other financing sources under GAAP (See Note 8).
3. Interfund transactions of the General and Special Revenue Funds are not included in the budgetary basis.
4. Certain accrued liabilities and other debts are not included in the budgetary basis.

5. Certain revenues susceptible to accrual, i.e., both measurable and available, are not included in the budgetary data.

All encumbrance appropriations in the operating budget lapse at the end of the fiscal year. Property taxes collected during the current year by the Municipal Revenue Collection Center (Fiscal Agent) are presented as revenues in the accounting basis but are not considered in the budgetary basis.

The special funds of the Special Revenue Fund have not been included in the budget and actual comparison because balances are not budgeted. Also the budget prepared for the Federal Finance Awards Programs included in the Capital Projects and Special Revenue Funds is based on a program period which is not necessarily a year. Accordingly, it's not practical to present an annual comparison of budget and actual for such programs.

#### E. Cash and Investment

The Director of Finance of the Municipality is responsible for investing the available resources in certificates of deposit and other short-term investments. Investments are made from the available combined funds of the Municipality and, accordingly, it is not practical to disclose certificates of deposit and other short-term investments individually by fund in the combined financial statements. Interest earned on certificates of deposit and other short-term investments are recognized as revenue in the General Fund. Cash in the Special Revenue, Debt Service and Capital Project Funds are restricted; accordingly, resources available were not used for pool investments.

Cash with fiscal agent represents property tax collections retained by the Municipal Revenues Collection Center and undisbursed proceeds of certain bonds, loans or grants which are maintained in a cash custodian account by the Government Development Bank of the Commonwealth of Puerto Rico.

Cash balance recognized in the Debt Service Fund is restricted for the payment of the Municipality's obligations, and others are restricted for specific projects, such as the acquisition or construction of permanent improvements. This sinking fund is maintained by the Governmental Development bank of Puerto Rico, agency which acts as the insurer and payer of the Municipality's bonds and notes issued in accordance with the law.

#### F. Receivable

Receivable are stated net of estimated allowances for uncollectible accounts, which are determined upon past collection experience and current economic conditions. Receivable from Federal Government represents amounts owed to the Municipality for reimbursement of expenditures incurred pursuant to federally funded programs.

# MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

## NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continuation)

#### G. Inventories

The General, Special Revenue and Capital Project Funds, purchases office and printing supplies, gasoline, oil and other expendable supplies held for consumption. The cost of purchases is recorded as expenditure in the appropriate fund and the inventory is not recorded in the general-purpose financial statements.

#### H. General Fixed Assets

The General Fixed Assets Account Group reflects the cost of fixed assets of a stewardship nature (certain land, buildings, certain improvements other than building, furniture and fixtures, equipment and motor vehicles acquired or constructed by the Municipality. Public domain (infrastructure) fixed assets consisting of roads, bridges, underground water and sewer facilities and certain other property are recorded as expenditures and are not capitalized in the General Fixed Assets Account Group. Donated fixed assets are valued at their estimated fair value on the date donated. No depreciation has been provided and the interest on financing during the construction period will not be capitalized in the General Fixed Assets Account Group.

#### I. Compensated Absences

Municipal employees are granted 30 days of vacations and 18 days of sick leave annually. Vacations may be accumulated up to a maximum of sixty (60) days and sick leave up to a maximum of ninety (90) days. In the event of employee resignation, the employee is paid for accumulated vacation days up to the maximum allowed. Separation from employment prior to use of all or part of the sick leave, or upon retirement, terminates all rights for compensation, except for employees with ten years of service who are entitled to sick leave pay up to the maximum allowed. The Municipality accrues a liability for compensated absences, which meet the following criteria: (1) the Municipality's obligation relating to employee's rights to receive compensation for future absences is attributable to employee's services already rendered; (2) the obligation relates to rights that vest or accumulate; (3) Payment of the compensation is probable; and (3) the amount can be reasonably estimated.

In accordance with the above criteria and requirements as established by GASB Number 16, the Municipality has accrued a liability for compensated absences, which has been earned but not taken by municipal employees. The liability for compensated absences, which will not require the use of expendable available financial resource, is included in the General Long-Term Debt Account Group.

#### J. Insurance

The Municipality has insurance coverage for its public facilities, primarily to provide protection from catastrophic losses. Also, principal officials of the Municipality are covered under various surety bonds.

The Secretary of the Treasury Department of the Commonwealth of Puerto Rico is the agent commissioned to place all of the Municipality's insurance coverage. Corresponding premiums payable are withheld by the Municipal Revenue Collection Center from quarterly advances of annual property tax and subsidy sent to the Municipality.

#### K. Interfund Transactions

The Municipality has the following types of transactions among funds:

Operating Transfers – Legally required transfers that are reported when incurred as "Operating transfers-in" by the recipient funds and as "Operating transfers-out" by the disbursing fund.

Transfer of Expenditures (Reimbursements) – Reimbursement of expenditures made by one fund for another that are recorded as expenditures in the reimbursing fund and as reduction of expenditures in the reimbursed fund.

#### L. Reservations of Fund Balance

Reservations of fund balance represent portions of fund balances that are legally segregated for a specific future use or are not appropriate for expenditure. The Municipality has the following reservations of fund balance:

Encumbrance – Represent future expenditures under purchases orders, contracts and other commitments issued for goods and services not received at year-end. Where the appropriations lapse at year-end these will be honored during subsequent year. Encumbrances constitute the equivalent of expenditures for budgetary purposes and, accordingly, are reported with expenditures in all budgetary basis statements.

Debt Service – Represents net assets available to finance future debt service payments.

#### M. Claims and Judgments

The estimated amount of the liability for claims and judgments, if any, which is due on demand, such as from adjudicated or settled claims, is recorded in the General Fund. The General Long-Term Debt Account Group includes an amount estimated as a contingent liability or liabilities with a fixed or expected due date, which will require future available financial resources for its payment.

MUNICIPALITY OF SABANA GRANDE, PUERTO RICO  
 NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS  
 FOR THE FISCAL YEAR ENDED JUNE 30, 2002

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continuation)

N. Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and the reported revenues during the reporting period. Actual result count differs from those estimates.

NOTE 2 CASH AND INVESTMENTS

The Municipality follows the practice of pooling cash of all funds, except from restricted funds held by the Municipal Revenue Collection Center for repayment of principal and interests on general long-term obligations, and federal financial awards. Investments consist of certificates of deposit. The Municipality's cash and investments at year-end were entirely covered by the Federal Deposit Insurance Corporation (FDIC) coverage, up to a maximum of \$100,000 in each bank, and the excess by collateral provided by the banks and held by the Department of the Treasury pursuant the applicable laws and regulations. Cash with fiscal agent is maintained in interest bearing accounts in the Government Development Bank of Puerto Rico and is not collateralized.

Puerto Rico laws authorize governmental entities to invest in direct obligations or obligations guaranteed by the federal government or the Commonwealth of Puerto Rico. The Municipality is also allowed to invest in bank acceptances, other bank obligations and certificates of deposit in financial institutions authorized to do business under the federal and Commonwealth laws.

NOTE 7 DEBT RETIREMENT

Revenues of the Debt Service Fund consists of the ad-valorem property taxes which are recognized as revenue when collected from taxpayers and reported by the Municipal Revenue Collection Center of the Commonwealth of Puerto Rico to the Municipality (See Note 8).

These property taxes are accumulated by the Municipal Revenue Collection Center in costs of the general obligations bonds Issued by the Municipality (See Note 6). Payments are made to the Government Development Bank of the Commonwealth of Puerto Rico from such accumulated funds by the Municipal Revenue Collection Center of Puerto Rico.

# MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

## NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

### NOTE 8 PROPERTY TAXES

The Municipal Revenue Collection Center of the Commonwealth of Puerto Rico is responsible for the assessment of all real and personal property located within the Municipality and for the levy, administration and collection of the corresponding tax contribution. The property tax contribution is levied each year over the appraised value of the property at the beginning of the calendar year. The real property assessment is based on the current value existing in the year 1957 and the personal property at the current value at the date of the assessment.

The tax rate per annum is 8.28% for real property and 6.28% for personal property of which 1.03% of both belongs to the Commonwealth of Puerto Rico and 7.25% and 5.25%, respectively, belongs to the Municipality. From the portion belonging to the Municipality, 6.00% and 4.00%, respectively, represents the Municipality's basic tax rate that is appropriated for general purposes and therefore accounted for through the General Fund. The remaining portion belonging to the Municipality of 1.25% represents the ad-valorem property taxes withheld by the Municipal Revenue Collection Center of the Commonwealth of Puerto Rico and restricted for debt service, which is accounted for through the Debt Service Fund (See Note 7).

The Municipality has reached the maximum statutory tax rate limit for the basic tax while there is no limitation for the ad-valorem tax rate.

The Commonwealth of Puerto Rico grants complete real property tax exemption on the first \$15,000 has assessed valuation on residential units occupied by their owners. However, the Municipality receives the full amount levied, except for residential units assessed at less than \$3,500 on which a complete exemption is granted. The Municipal Revenue Collection Center, instead of the property taxpayer, becomes the source of payment in these cases.

The Municipality grants a complete exemption from personal property taxes up to an assessment value of \$50,000. The Municipal Revenue Collection Center advances to the Municipality, on monthly payments, 100% of the contribution assessed over property for each fiscal year. In accordance to Law, these advances will be contributions by the Municipal Revenue Collection Center from taxpayers. The Municipal Revenue Collection Center periodically informs to the Municipality the amounts collected from taxpayers and applied to outstanding advances.

The Municipality records as revenue in the general fund the exonerated portion of property tax contribution when received from quarterly advances from Municipal Revenue Collection Center. The non-exonerated portion of the advance is recorded as other financing sources in the general fund and in the General Long-Term Debt Account Group as an increase in related debt. Due to the fact that collections of non-exonerated property taxes are applied to the advances of property tax sent by the Municipal Revenue Collection Center, they are record as amortization of the advance in the General Long-Term Account Group, expenditures in the General Fund and recognized as revenue in accordance with GAAP.

The liquidation of Property Taxes of the current fiscal year is preliminary as stated by Municipal Revenue Collection Center. During the fiscal year, the Municipality has a receivable of \$8,331 recognized in Debt Service Fund according to measurement recognition focus.

### NOTE 9 VOLUME OF BUSINESS TAX

The volume of business tax is levied each year based on the prior year's gross revenues for all commercial and industrial organizations doing business in the Municipality and which are not totally or partially exempt from this tax under the Industrial Incentives Laws of the Commonwealth of Puerto Rico. All taxpayers are required to file their declarations by April 20 of each year. The tax rates are as follows:

- a. 1.50% for financial institutions and savings and loan associations.
- b. 0.50% for all other organizations.

Taxes are payable in two equal semi-annual installments on July 1 and January 1 following the date of levy. If they are paid with declaration, the taxpayer is granted a 5% of discount. Also, Child and Elderly Care Institutions are granted with a 50% discount of tax levied. Collections of taxes during current fiscal year, applicable to the next fiscal year, are recorded as deferred revenues in the General Fund.

### NOTE 10 INTERGOVERNMENTAL REVENUES

Intergovernmental revenues consists primarily of funds received from the Commonwealth of Puerto Rico, "in lieu of tax" payments from the quasi-public corporation, the Puerto Rico Electric Power Authority, and federal financial assistance received from federal government.

Grants and subsidies received from the Commonwealth of Puerto Rico and federal agencies include, among others, a general subsidy for urban development and capital improvements. Intergovernmental revenues are accounted for through the General Fund except for those directly related to urban development and capital improvements, which are accounted for through the Special Revenue and the Capital Project Funds. Federal Financial Assistance is recorded in the Special Revenue Fund.

continue

MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

NOTE 11 EMPLOYEE'S RETIREMENT PLAN

The Employee's Retirement System of the Government of Puerto Rico and its instrumentalities (ERS) is the administrator of a cost-sharing multiple-employer retirement system established by the Commonwealth of Puerto Rico. The ERS was created under the Act 447, approved on May 15, 1951, as amended, and became effective on January 1, 1952. ERS covers all regular employees of the Commonwealth of Puerto Rico and its instrumentalities and of certain municipalities and components units not covered by their own retirements systems.

Participation is mandatory except for members of the Legislature, Government Secretaries, Head of Agencies and Public Instrumentalities, Assistants to the Governor, the Comptroller of the Puerto Rico, Gubernatorial Board and Committee appointees and Experimental Service Station employees. ERS provides retirement, death and disability benefits. Disability retirement benefits are available to members for occupational and non-occupational disabilities. Retirement benefits depend upon age at retirement and number of years of credited service. Benefits vest after ten years of plan participation.

During the fiscal year, the Municipality adopted the requirements of GASB Number 25 for all the career employees that are covered under the Commonwealth of Puerto Rico Employee's Retirement System, a multiple-employer public employee retirement system, established by State Laws. Under this plan, except for the Head Start Programs' employees, the Municipality's employees and employer portions are contributed, for which, the employee amount is withheld from salaries.

Under the plan, the employees and employer portions are contributed, for which, the employee amount is withheld from salaries. Covered employees are required by Commonwealth statute to accept before April 1, 1999 to contribute 5.775% for the first \$6,600 of salary plus 8.275% for the excess of this amount, or on the alternative, 8.275% of all salary. After such date, contribute 8.275% of their salaries. This is the only choice available to Mayor. The Municipality contributes to the system 9.275% of the participating employee's salaries.

Law Number 305 of September 24, 1999, amends the Act Number 447, that establish a savings program. All employees active in the system as of December 31, 1999 may elect to transfer from defined contribution program to the new savings program (a defined contribution plan). Employees in the savings program may now contribute from a minimum of 8.275% up to a maximum of 10% of their monthly salary, and will invest in an account which will either: (a) earn a fixed rate based on the two-year Constant Maturity Treasury Note or, (b) earn a rate equal to 75% of the return of the System's investment portfolio (net of management fees), or (c) earn a combination of both alternatives. If at time of retirement accumulated benefits amount to \$10,000 or less may elect to receive a lump sum distribution up to the accumulated benefits. Under the new program the retirement age is reduced from 65 to 60 for those employees who joined the current plan on or after April 1, 1990.

All employees that do not elect to transfer for the new program, and who at the time of employment are 55 years old or less are eligible to participate in the System. Pension benefits for participants with 30 years of service are as follows:

YEARS OF SERVICE	PARTICIPANT'S AGE	PENSION BENEFITS
30 or more	55 or less	65% of the average of the three years of highest salary during the employee's service period.
30 or more	58 or more	75% of the average of the three years of highest salary during the employee's service period.
30 or more	65 or more	75% of the average of the three years of highest salary during the employee's service period (employees started working after April 1, 1990).

The pension benefit for participants who retire with less than 30 years of service is computed at the rate of 1½% of their average compensation of each year of credit service for the remaining years. The System also provides for death and disability benefits and the assets of the System pertaining to the participant employees.

A variety of significant actuarial assumptions are used to determine the standard measure of the pension benefit obligation and these assumptions are summarized below:

- a. The present value of the future pension payments was computed by using a discount of 9%.
- b. Future pension payments reflect an assumption of a 6% salary increase.

The amount of the total pension benefit obligation is based on a standardized measurement established by GASB Number 27, *Financial Reporting for Defined Benefit Pension Plans and Notes Disclosure for Defined Contributions Plans*. The standardized measurement is the actuarial present value of estimated defined pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee services performed to date. The measure is intended to help users assess the System's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among other public retirement systems. The measure is independent of the actuarial funding method used to determine contributions to the plan.

The membership of retirees and beneficiaries currently receiving benefits and terminated employees entitled to benefits, but not yet receiving benefits, and active employees and the distribution of active employees between vested and nonvested is not readily available.

# MUNICIPALITY OF SABANA GRANDE, PUERTO RICO

## NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS

FOR THE FISCAL YEAR ENDED JUNE 30, 2002

### NOTE 11 EMPLOYEE'S RETIREMENT PLAN (continuation)

Contributions in 2002 and prior years were made based on percentages established by the law. Such percentage has not been based on actuarial studies, as required by generally accepted accounting principles. An actuarial compilation of the annual contribution applicable to the Municipality has not been prepared. Accordingly, the accounts by which the actual contributions differ from the required actuarial contributions are not known.

The total pension expenditures recorded in the category of administration for the Fiscal Year Ended June 30, 2002 was approximately \$149,737. All employees who at the time of employment are 55 years old or less are eligible to participate in the System. No benefit is payable if the participant receives a refund of his accumulated contributions.

The historical trend information regarding the accumulation of assets and pension benefit obligation in the ERS are not available. For the ten-year trend information, refer to the separately issued financial statements of the ERS as of and for the Fiscal Year Ended June 30, 2002.

Also, the Head Start Program's employees are covered by a Defined Contribution Plan adopted on February 1, 2001. Substantially all employees are eligible for the Plan on or after the date in which the employee completes three months of continued service. Participants can make a voluntary contribution up to \$55.00 per month of its gross compensation, as defined in the Plan; not to exceed the limit established by law. The Head Start Program (Sponsor) contributes \$25.00 per month per employee. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Sections 1165 (a) and (e) of the Puerto Rico Internal Revenue Code of 1994 (PRIIRC), as amended. Participants are 100% vested on both participant's and Sponsor's contributions and earnings since being eligible for participation in the Plan.

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his account or some other annuity alternative benefits. The Plan's Assets are being managed by Cooperativa de Seguros de Vida de Puerto Rico (COSVI) under an investment contract. Such assets are being maintained in COSVI's general account and are credited with estimated earnings on the underlying investments through the year, which are adjusted retroactively after determining actual yield on investments. The estimated interest rate on earnings was 7.0%. Assets are also charged for Plan's withdrawals and administration expenses. The investment contract, included on Net Assets Available for Benefits, approximates fair value. The contract has not defined maturity and, accordingly, the fair value is the amount payable on demand.

Although the Sponsor has not expressed any intention to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of the termination of the Plan, reduction or suspension, the employer shall make no further contributions and the accounts of all participants shall remain fully vested and nonforfeitable.

### NOTE 12 ESTIMATED MUNICIPAL SOLID WASTE LANDFILL CLOSING COSTS

According to the Environmental Protection Agency's (EPA) regulations, the Municipality must follow certain closure functions and postclosure monitoring and maintenance procedures. In addition, the Municipality has adopted the GASB Number 18 in order to comply with these regulations. Actually, the Municipality has one inactive landfill.

As of June 30, 2002, the Municipality is in process to perform a study of the estimated landfill closing and postclosing costs to be recognized in the financial statements as required by the new accounting policy.

### NOTE 13 CONTINGENCIES

#### A. CLAIMS AND JUDGMENTS

The Municipality is, at present, a defendant in a number of legal matters that arise from alleged improper application of policies and negligence in the ordinary course of the Municipality's activities. The legal counsel of the Municipality has advised that at this stage in the proceedings of lawsuits he cannot offer an opinion as to the probable outcome, with the exception of one uninsured lawsuit.

In this case, one plaintiff (former employee) filed a civil rights complaint based on allegations of political harassment and discrimination [Civil No. 01-1244 (JAF)] in the United States District Court for the District of Puerto Rico. Recently, the jury outcome was unfavorable to the Municipality for the amount of \$523,000 included in the financial statements in the General Long-Term Account Group. Management is vigorously defending the claim and made an appeal to the First Circuit of Boston.

In addition, the Municipality is a defendant or co-defendant in several legal proceedings, which are in discovery stage. Certain of these claims are covered by insurance. Legal counsel with the information currently available can not determine the final outcome of these claims. The financial statements do not include adjustment, if any, that could result from the other resolutions of legal proceedings. However, it has been the Municipality's experience that such actions are settled for amounts substantially less than the claimed amounts.

#### B. FEDERAL GRANTS

In the normal course of operations, the Municipality receives grants from various Federal and State agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as the result of these audits is not believed to be material.

continue

**MUNICIPALITY OF SABANA GRANDE, PUERTO RICO**

**NOTES TO THE GENERAL PURPOSES FINANCIAL STATEMENTS**

**FOR THE FISCAL YEAR ENDED JUNE 30, 2002**

**NOTE 14 BEGINNING FUND BALANCES RESTATEMENT**

Beginning Fund Balances Undesignated for Debt Service Fund have been restated by accounting adjustments that affect the Fund Equity of this Governmental Fund, as follows:

Beginning Balance at July 1, 2001 .....	\$1,039,570
Final Liquidation of Fiscal Years 1999-00 and 2000-01 .....	<u>15,911</u>
Beginning Balance, as Restated, July 1, 2001 .....	<u>\$1,055,481</u>

**NOTE 15 GASB STATEMENTS NUMBERS 33, 34 (AS AMENDED), 37, 38 AND 39**

In June 1999, the Governmental Accounting Standards Board (GASB) issued GASB No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*. The objective of this Statement is to enhance the understandability and usefulness of the general-purpose external financial reports of state and local governments to the citizenry, legislative and oversight bodies, and investors and creditors. The minimum requirements for Basic Financial Statements and Required Supplementary Information (RSI) are:

- A. Management’s Discussion and Analysis (MD&A) – a component of RSI, should introduce the basic financial statements and provide an objective and easily readable analytical of the government’s financial activities based on currently known facts, decisions, or conditions. MD&A should discuss the current-year positive and negative results in comparison with the prior year, with emphasis on the current year.
- B. Basic Financial Statements – should include:
  - 1. Government-wide Statements – The government-wide statements should display information about the reporting government as a whole, except for its fiduciary activities. The statements should include separate columns for the governmental and business-type activities of the primary government as well as for its component units. Government-wide financial statements should be prepared using the economic resources measurement focus and the accrual basis of accounting. Capital assets, including infrastructure assets, and depreciation charges are reported on these new financial statements:
    - a. Statement of Net Assets
    - b. Statement of Activities

- 2. Fund Financial Statements – Fund financial statements for the primary government’s governmental, proprietary, and fiduciary funds should be presented after the government-wide statements. These funds should be presented after the governmental and enterprise funds. Fiduciary statements should include financial information for fiduciary funds and similar component units. Each of the three fund categories should be reported using the measurement focus and basis of accounting required for that category.
- 3. Notes to the Financial Statements – One set of notes for both financial statements.
- C. Required Supplementary Information other than MD&A. Except for MD&A, required supplementary information, including the required budgetary comparison information, should be presented immediately following the notes to the financial statements.

GASB No. 34 will begin to take effect for the **Municipality** in fiscal year beginning after June 15, 2002. Earlier application is encouraged.

Prospective reporting of general infrastructure assets is required at the effective dates of this Statement. Retroactive reporting of all major general governmental infrastructure assets is encouraged at that date. Retroactive reporting is required four (4) year after the effective date on the basic provisions for all major general infrastructure assets that were acquired or significantly reconstructed, or that received significant improvements, in fiscal years ending after June 30, 1980.

Governments that elect early implementation of this Statement, should also implement GASB Statement Number 33, Accounting and Financial Reporting for Nonexchange Transactions, at the same time. Also, GASB 34 was amended by GASB Number 37 and 38 for topics that should be included in the MD&A and disclosures.

On May 2002, GASB No. 39 was issued that amend GASB 14 by established additional guidance on the application of existing standards for the assessment of potential component units in determining the financial reporting entity. This statement is effective for financial statements for periods beginning after June 15, 2003. Earlier application is encouraged.

The accompanying Notes to Schedule of Expenditures of Federal Awards are an integral of this Schedule.

**MUNICIPALITY OF SABANA GRANDE, PUERTO RICO**

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

**FOR THE FISCAL YEAR ENDED JUNE 30, 2002**

**NOTE 1 GENERAL**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activities of the **Municipality of Sabana Grande, Puerto Rico**. The information in this Schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the general-purpose financial statements. The **Municipality** reporting entity is defined in Note (1) (A) to the general-purpose financial statements. All federal financial awards received directly from federal agency as well as federal financial awards passed through other government agencies are included on the Schedule.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

- A. The accompanying Schedule of Expenditures of Federal Awards is prepared from **Municipality's** accounting records and is not intended to present financial position or the results of operations.
- B. The financial transactions are recorded by the **Municipality** in accordance with the terms and conditions of the grants, which are consistent with generally accepted accounting principles.
- C. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable or when actually paid, whichever occurs first.

**NOTE 3 FEDERAL CFDA NUMBER**

The CFDA numbers included in this Schedule were determined based on the program name, review of grant contract information and the Office of Management and Budget's Catalogue of Federal Domestic Assistance.

**NOTE 4 PASS THROUGH GRANTOR'S NUMBER**

State or local government redistribution of federal awards to the Municipality, treated as if they were received directly from the federal government. OMB Circular A-133 requires the schedule to include the name of the pass-through entity and identifying number assigned by the pass-through entity for federal awards received as a subrecipient. Numbers identified as N/A are not available.

**NOTE 5 RELATIONSHIP TO GENERAL-PURPOSE COMBINED FINANCIAL STATEMENTS**

Federal financial assistance expenditures are reported in the **Municipality's** Combined Statement of Revenues, Expenditures and Change in Fund Balance – All Governmental Fund Types as follows:

DESCRIPTION	SPECIAL REVENUE	CAPITAL PROJECT	TOTAL
Federal Programs Expenditures.....	\$ 5,947,304	\$ 327,017	\$ 6,274,321
State & Municipal Expenditures .....	<u>3,529,400</u>	<u>744,937</u>	<u>4,274,337</u>
TOTAL EXPENDITURES .....	<u>\$ 9,476,704</u>	<u>\$ 1,071,954</u>	<u>\$10,548,658</u>

**NOTE 6 LOANS OUTSTANDING**

The **Municipality of Sabana Grande, Puerto Rico** had the following outstanding balances at June 30, 2002 for the Community Facilities Loans, and Water and Waste Disposal Loans and Grants Programs. For these loans the grantor does not impose continuing compliance requirements, as described on the OMB Circular A-133. Therefore, the prior year balances are not considered expenditures on the Schedule of Expenditures of Federal Awards. The amount presented in the Schedule, represent federal expenditures according to modified accrual basis of accounting (see Note 2). The loans outstanding balances were included in the **Municipality's** General Long-Term Account Group (see Note 6 of the Notes to General-Purposes Financial Statements).

**NOTE 7      MAJOR PROGRAMS**

Major programs are identified in the Summary of Auditor's Results Section of the Schedule of Findings and Questioned Costs.

**END OF NOTES**

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**To the Honorable Mayor and  
Members of the Municipal Legislature  
Municipality of Sabana Grande, Puerto Rico**

We have audited the financial statements of **Municipality of Sabana Grande, Puerto Rico (Municipality)** as of and for the Fiscal Year Ended June 30, 2002, and have issued our report thereon dated December 5, 2002, which was qualified because we been able to audit the fixed assets of the General Fixed Assets Account Group and for no provision for liability of landfill closing and postclosing costs. Except as discussed in the preceding sentence, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Compliance**

As part of obtaining reasonable assurance about whether the **Municipality's** financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the **Municipality's** internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted certain matter involving the internal control over financial reporting and its operation that we consider being reportable condition. Reportable conditions involve matters coming to our consideration relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the **Municipality's** ability to record, process, summarize and report financial statements. Reportable condition is described in the accompanying Schedule of Findings and Questioned Costs as item 02-II-01.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Page 2

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the general-purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, the reportable condition described above is a material weakness.

This report is intended for the information of the management, Office of the Commissioner of Municipal Affairs, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

Certified Public Accountants

Caguas, Puerto Rico  
December 5, 2002

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND  
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

**To the Honorable Mayor and  
Members of the Municipal Legislature  
Municipality of Sabana Grande, Puerto Rico**

**Compliance**

We have audited the compliance of the **Municipality of Sabana Grande, Puerto Rico (Municipality)** with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the Fiscal Year Ended June 30, 2002. The **Municipality's** major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the **Municipality's** management. Our responsibility is to express an opinion on the **Municipality's** compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the **Municipality's** compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the **Municipality's** compliance with those requirements.

In our opinion, the **Municipality** complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the Fiscal Year Ended June 30, 2002. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying Schedule of Findings and Questioned Costs as items 02-III-01 through 02-III-04.

**Internal Control Over Compliance**

The management of the **Municipality** is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the **Municipality's** internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

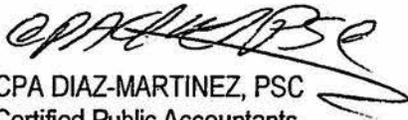

**REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

Page 2

We noted certain matter involving the internal control over compliance and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over compliance that, in our judgment, could adversely affect the **Municipality's** ability to administer a major federal program in accordance with applicable requirements of laws, regulations, contracts and grants. Reportable conditions are described in the accompanying Schedule of Findings and Questioned Costs as items 02-III-01 and 02-III-02.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weakness. However, we believe that the reportable conditions described above are not material weaknesses.

This report is intended for the information of the audit committee, management, Office of the Commissioner of Municipal Affairs, and federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.

<b>NONCOMPLIANCE</b>	<b>ELIGIBILITY TEST</b>
<b>CONDITION</b>	During our Participant Files Test we noted that one (1) participant file did not have evidence of the HUD-approved release and consent form submitted by the family as required by federal regulation.
<b>CRITERIA</b>	Code of Federal Regulations, 24 CFR, Subpart F, Section 5.617 (b) states that as a condition of admission to, or continued occupancy of, any assisted unit, the <b>Municipality</b> shall require the family head and other such family members as it designated, on 24 CFR, Subpart B, Section 5.230 (a), to execute a HUD-approved release and consent form authorizing any depository or private source of income, or any federal, state or local agency, to furnish or release to the <b>Municipality</b> and to HUD such information as the <b>Municipality</b> and HUD determines to be necessary. Also it is stated on 24 CFR, Subpart K, Section 982.516 (g).
<b>EFFECT</b>	The <b>Municipality</b> is not in compliance with 24 CFR, Subpart F, Section 5.617(b); Subpart B, Section 5.230(a); and Subpart K, Section 982.516 (g).
<b>CAUSE</b>	The <b>Municipality</b> does not have consent forms that authorize the collection of income information from State Wages Information Collection Agencies (SWICA), and wages, net earnings from self-employment, payments of retirement income, and unearned income as referenced at 26 U.S.C. 6103. In addition consent form may authorize the collection of other information from applicants and participant to determine eligibility or level of benefits.
<b>RECOMMENDATION</b>	We recommend management to require each member of the family of an assistance applicant or participant who is at least 18 years of age, and each family head and spouse regardless of age, to sign a release form.
<b>QUESTIONED COSTS</b>	None
<b>MANAGEMENT RESPONSE</b>	Pending the Corrective Action Plan.

Section III – Federal Award Findings and Questioned Costs

---

<b>FINDING</b>	<b>NUMBER 02-III-02</b>
<b>FEDERAL PROGRAM</b>	<b>SECTION 8 HOUSING CHOICE VOUCHER PROGRAM (CFDA NO. 14.871) U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT</b>
<b>REQUIREMENT</b>	<b>COMPLIANCE AND INTERNAL CONTROL</b>
<b>NONCOMPLIANCE</b>	<b>PROCUREMENT STANDARDS</b>
<b>CONDITION</b>	During our Participants Files Test, we noticed that two (2) tenant files did not contain all the contracts as required by the federal regulation.
<b>CRITERIA</b>	Code of Federal Regulations, 24 CFR, Subpart D, Section 982.162 (a) (2) and (3) states that the <b>Municipality</b> must use program contracts and other forms required by HUD headquarters, including: the HAP contract between the <b>Municipality</b> and the owner; and the lease language required by HUD (in the lease between the owner and the tenant).
<b>EFFECT</b>	The <b>Municipality</b> is not in compliance with 24 CFR, Subpart D, Section 982.162 (a)(2) and (3).
<b>CAUSE</b>	The <b>Municipality</b> did not establish procedures to ensure that all the required contracts were legalized before the housing assistance payments and/or the utility reimbursements were disbursed.
<b>RECOMMENDATION</b>	We recommended to management to take the necessary measures to assure that all documents required are prepared in accordance with program regulations.
<b>QUESTIONED COSTS</b>	None
<b>MANAGEMENT RESPONSE</b>	Pending the Corrective Action Plan.

Section III – Federal Award Findings and Questioned Costs

---

<b>FINDING</b>	<b>NUMBER 02-III-03</b>
<b>FEDERAL PROGRAM</b>	<b>SECTION 8 HOUSING CHOICE VOUCHER PROGRAM (CFDA NO. 14.871) U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT</b>
<b>REQUIREMENT</b>	<b>COMPLIANCE AND INTERNAL CONTROL</b>
<b>NONCOMPLIANCE</b>	<b>SPECIAL TESTS AND PROVISIONS</b>
<b>CONDITION</b>	During our verification of units with failed Housing Quality Standards inspections we noticed that the <b>Municipality</b> did not establish the correction period in the document submitted to the person responsible for the repairs in five (5) participant's files. Also, we noticed that in six (6) participant's files there was no evidence of a unit inspection report or other kind of verification documenting that any PHA required repairs were completed.
<b>CRITERIA</b>	Code of Federal Regulations, 24 CFR, Subpart I, Section 982.404 stated that the <b>Municipality</b> must not make any housing assistance payments for a dwelling unit that fails to meet the Housing Quality Standards, unless the responsible person (owner and/or participant) correct the defect within the period specified by the <b>Municipality</b> and the <b>Municipality</b> verifies the correction.
<b>EFFECT</b>	The <b>Municipality</b> is not in compliance with 24 CFR, Subpart I, Section 982.404.
<b>CAUSE</b>	The <b>Municipality</b> does not specify the time frames for the correction of deficiencies, also the entity does not verify the correction of the Housing Quality Standards deficiencies; therefore, the <b>Municipality</b> fails to take prompt and vigorous action to enforce the owner and/or participants obligations.
<b>RECOMMENDATION</b>	We recommend management to implement internal control procedures to establish a correction time period to assure that the unit's Housing Quality Standards deficiencies were corrected during the specified period established by the federal regulation.
<b>QUESTIONED COSTS</b>	None
<b>MANAGEMENT RESPONSE</b>	Pending the Corrective Action Plan.

<b>FINDING</b>	<b>NUMBER 02-III-04</b>
<b>FEDERAL PROGRAM</b>	<b>HEAD START PROGRAM (CFDA NO. 93.600) U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES PASS-THROUGH STATE – ADMINISTRATION OF CHILDREN AND FAMILIES</b>
<b>REQUIREMENT</b>	<b>COMPLIANCE.</b>
<b>NONCOMPLIANCE</b>	<b>SPECIAL TESTS AND PROVISIONS</b>
<b>CONDITION</b>	The Head Start Program did not renew the required license issued by the Administration of Families and Children, Puerto Rico Fire Department, and Health Department.
<b>CRITERIA</b>	The Head Start regulations at 45 CFR Section 1306.30 (c) and OMB Circular A-133 - Compliance Supplement, state that the facilities used by Head Start grantees must comply with applicable State and local requirements concerning license. The State requirement for the operation of Head Start Centers include a license granted by the Administration of Families and Children of Puerto Rico Family Department, Puerto Rico's Fire Department, and Health Department.
<b>CAUSE</b>	During the last year, the Head Start Program failed to renew the required license issued by the Administration of Families and Children of Puerto Rico Family Department, Puerto Rico's Fire Department, and Health Department.
<b>EFFECT</b>	The <b>Municipality</b> did not comply with the applicable state licensing requirements for the Head Start Centers.
<b>RECOMMENDATION</b>	We recommend management to perform the required improvements and obtain the required licenses from the State Agencies.
<b>QUESTIONED COSTS</b>	None
<b>MANAGEMENT RESPONSE</b>	Pending the Corrective Action Plan.
